

# RELIGION ISN'T WORKING

Joseph Habedank, Michael Farren, Jesse Reeves, Nick Romes, Tony Wood

Religion isn't working anymore  
Religion isn't working anymore  
Every single Sunday just like the one before  
Religion isn't working anymore

Religion sure ain't never satisfied  
I've crossed the t's and dotted all the i's  
And still I feel so empty walking out the door  
'Cause religion isn't working anymore

**I want to know my blessed Savior  
And love Him, like I've never loved before  
I want to feel the power  
Of the resurrected Lord  
'Cause religion isn't working anymore**

Religion never set nobody free  
It's always made a prisoner out of me  
I'm done with checking boxes, I'm tired of keeping score  
'Cause religion isn't working anymore

*Just give me Jesus  
Just give me Jesus  
I don't need the smoke and mirrors  
I don't need the show  
Just give me Jesus  
Just give me Jesus  
I need His living water  
To wash over my soul*
