

WORTHY

Andrew Bergthold, Tony Wood, Joseph Habedank

It won't be long now
Gonna hear that song now
That's been rising up
Since before the world began

We'll be face down
On that sacred ground
And every one of us
Will praise the perfect Lamb

And as soon as a crown is placed on me
I'll turn around and cast it at Your feet
Gonna cast it at Your feet and we'll all sing

**Worthy, You are worthy
Every knee will bow down
Every tongue will cry out
You are worthy, the Lamb is worthy
All our voices ringing
All the angels singing
You are worthy**

Undeserving
But by His mercy
We have been redeemed
Finally home and free

And as soon as a crown is placed on me
I'll turn around and cast it at Your feet
Gonna cast it at Your feet and we'll all sing

*Worthy of honor
Worthy of glory
Worthy of power
Worthy of praise
Worthy of wisdom
Worthy of worship,
Worthy of reverence
Worthy to reign*

Jesus, Your name is above every name
