

# CHILD OF THE KING

Joseph Habedank, Dave Clark, Don Koch

If I had given up each time I couldn't see the road ahead  
Or let my future be determined by some thing somebody said  
If I had let my joy be silenced every time my heart was hurt  
I would have fallen short of everything God's mercy says I'm worth

**I am a child of the King  
I'm forgiven and redeemed  
There is a solid rock  
On which I stand  
Washed in the blood  
I know I am  
A child of the king  
Oh and I believe  
When Jesus looks at me  
All He sees is a child of the King**

If you knew what I had been through, my regrets and my mistakes  
Then you would understand just why I feel unworthy of God's grace  
Yet He never looked at me through eyes that judged me or condemned  
He just wrapped His arms around me and said I belong to Him

*Washed in the blood  
I know I am  
Washed in the blood  
I know I am  
Washed in the blood  
I know I am  
A child of the King*
