

# FORGIVEN

Jeff Bumgardner, Joseph Habedank

I was guilty and ashamed  
I was convicted, I was to blame  
I could not break those heavy chains  
I was guilty

I was worthy of nothing more  
Than all this cold world had in store  
So far from home, I couldn't see the shore  
So unworthy

But now I'm...

**Forgiven**  
**by the power of His love**  
**Forgiven**  
**and I'm covered by His blood**  
**I can't believe that I'm finally living**  
**Forgiven**

Second chances now offered free  
Each mistake was erased for me  
The desperate soul I used to be  
Is forgotten, it is forgotten!

'Cause now I'm...

*I could not earn it*  
*I did not deserve it*  
*Oh, but thank God*  
*That's what*  
*His Grace is for*
